Miss Taliaferro's Appearance Not to Be for Neighborhood House.

Mrs. Christian Hemmick and the board of trustees of Neighborhood House announced today that the performance by Miss Mabel Taliaferro, which was scheduled to take place at the Playhouse May 15, was erroneously published by those in charge of arrangements as an event intended for the benefit of Neighborhood House.

It was also stated by Captain Warren Dean, 15th Cavalry, U. S. A., at Fort Meyer, who has had charge of the preliminary plans for the performance, that a misunderstanding arose between the promoters of the performance and the managers of Neighborhood House, and that it is now the intention for the performance to be given at the Columbia Theater Friday afternoon for the benefit of local charity, the name to be announced later.
